Following the sustainability and energy efficiency approach of residential complex the designers have created a project where terraced singlefamily homes predominate.

This residential concept provides an environment where communal spaces are accessible to all residents, while each home has its own private spaces, both indoors and outdoors, for daily enjoyment.

The communal areas breathe a natural and welcoming atmosphere. As you explore its different areas, you will find perfect spaces for walking, sports, and, above all, for cycling.

Experience a unique lifestyle in residential community, where every detail is designed for your comfort and enjoyment. Dive into the refreshing pool, train in the gym, relax in the sauna, and share unforgettable moments with family and friends in the social club.

Residential complex is a communal area that will allow you to enjoy La Almadraba beach in its purest essence. Residents will have access to this beachfront space where they can organise their own events, park their bicycles, store nautical equipment, and take a shower or dip in the pool after enjoying the sea.

A gateway to the sea on the shores of La Almadraba beach in Denia.
