Here you will find the real old Spanish life! The house is an 8-minute bike ride (2.4 km) from the beach.

The village is characterized by a long coastline and beautiful beaches and two ports. On the north side is a large inland lake 'Mar Menor' close to an ecological nature reserve 'Salinas y Arenales de San Pedro del Pinatar'. The nature park consists of lakes where salt is extracted, a peninsula with mudflats and a wide variety of bird species, including the characteristic flamingos. A must for every nature lover! The village is also located on the Mediterranean Sea and has several bays. It has elongated dunes and a pleasant boulevard. You have the most amazing routes for walking, cycling, water sports and enjoying the beautiful flora and fauna. There are places where you can park close to the beach. You will also find a wide range of golf facilities in the vicinity.

The house includes three bedrooms for two persons (180 x 200 cm), two bathrooms, a solarium, a private pool (4 x 2 m) and a patio. The kitchen is fully equipped. It has, among other things, an induction plate, an oven, microwave, coffee maker, dishwasher and a fridge-freezer combination. There is also a washing machine and other kitchen appliances. The cozy living room has a TV with international TV channels. Two sliding doors provide access to the terrace with pool and the patio. One bedroom is located downstairs with a double bed and has a private bathroom with toilet. The outdoor terrace at the front of the house is nicely furnished with a dining table, six chairs, a parasol and two sun loungers by the pool.

The two upstairs bedrooms have double beds and both have a balcony at the front of the house. The bathroom has a luxurious look with beautifully landscaped LED lighting and is equipped with a double shower and a toilet. A staircase provides access to the large roof terrace via a spacious hall. There you can enjoy the beautiful view and the sun from a spacious lounge set with dining table or from a wonderfully relaxed Ibiza bed.

The house has a fully integrated air conditioning system that can cool or heat all rooms. It offers fast fiber optic internet.

A small dog is allowed in this holiday home. Smoking is not allowed inside the house.
